WHY USE OUR STOCK FEEDS?

Answer...
Palatability!

No matter what you are feeding, the key to a successful stockfeed programme is...they have to eat it!! Our proven blend of special flavourings and ingredients are formulated for maximum acceptance so your stock are getting what they need when they need it!

Try our feeds to see the difference in your stock. We have had great, positive feedback from our customers reporting earlier target weight gains and weaning of their calves using our feeds, and higher milk yields in dairy herds...Check out some of their success stories on the back page.

Our Commitment

Clarks Seed & Feed are committed to offering a prompt and efficient service. We provide a comprehensive range of fresh, palatable, nutritional feed supplements, designed to assist with the rearing of your young stock through to feeding dairy herds. For stock to achieve their full potential and to maximise your farm profit, expert nutritional advice is all part of the service.

We understand the farming community and work to bring you the best value for money when it comes to feeding your stock. Remember, look after stock health and keep stock returning well with the best feed available. Orders can be placed with our Store Office - Phone 0800 621 431 or alternatively our Feed Consultant Brian McDonagh - Phone 027 281 8643.

Confidence in the Dairy Sector has improved, strengthening demand for feed products. Our advice is talk to us early to help plan for your requirements.

Brian and Garry will be in your area over the next few weeks to advise on feeding and rearing options. Phone now to secure your appointment.

We wish you well for the coming season, and thank you for your continued loyalty and support.

PROVEN PALATABILITY AND PERFORMANCE

Give calves the head start they need to reach their full potential by feeding from our range of nutritionally balanced, wholesome feeds. All feeds are Animal Bi-Product free and include locally grown cereal grains with added Protein Meals, Coccidiostat & Vitamin Mineral Premix. We do not use low energy "fillers" in our calf feeds e.g. Broll (bran & pollard) or Palm Kernel.

Prices are GST exclusive per tonne in 25kg bags ex Invercargill store. Large or bulk orders P.O.A.
*Please note we will endeavour to hold these prices for the season, but due to circumstances beyond our control they may be subject to change without notice.

For clients using **8 Tonne or more** we are continuing our volume incentive on calf feeds. Accounts will be invoiced at standard season prices, and **payment is required in full as per normal credit terms**. A credit of **\$20 per Tonne** on calf feed used, will be given to all clients who meet this criteria. Credit is paid on the first invoice at the beginning of the **2020** calf season.

SUCCESS STORIES

Don't just take our word for it!!
See what our customers have to say...

Dave Lawrence & Donna Day, Tikana, Winton
NZ National Velvet Competition 2018 Elk Supreme,
1st, 2nd, 3rd. National Rising Stars Velvet
Competition 2019 1st, 2nd, 3rd.

"We've been feeding Clarkes Velvet Deer Nuts for years now and believe the formulation is ideal for the strategic supplementation of our Wapiti Bulls to optimise their velvet production. They are consistent in quality and deer find them very palatable. We see the benefit in velvet weight and beam diameter from supplementing in the window between post rut, winter and also around button drop."

Philip & Heather Wilson - The Taieri Dairy Co. Ltd, Taieri

Geoff Wilson - Telesis Friesians, Taieri
We have been using CLARKES Calf & Dairy Feeds exclusively for many years now and can thoroughly recommend them for top quality products, on time service, and great advice. It's the end result of well grown heifers and a well fed herd that helps us to achieve a consistent 650 kgs ms/cow"

Leah & Greg Hart, Mokotua

"We have traditionally used an all milk diet to rear our calves but after using Clarkes calf feeds we noticed a dramatic improvement in calf condition and will definitely continue using their feeds."

Murray & Linsey Skedgwell – Mount Brook Jerseys, Tuatapere

Winners of:
Sthld Dairy Heifer & Yearling Comp 2017
Otago/Sthld Dairy Heifer & Yearling Comp 2017
Supreme Winners Royal Agricultural Society S.I Dairy Heifer & Yearling Comp 2017

"We have been feeding CLARKES Calf Feeds for the last 2 seasons and have noticed improved uptake and weaning weights....the results speak for themselves!"

Colin & Tania Lawry, 600 cows, Otautau

"As a trial we fed Clarkes and a competitor's feed. We found palatability to be the key to higher growth rates in the calves on Clarkes feed. Clarkes are our number 1 choice for Calf and Dairy feeds."

Graeme & Trish Rennie, Dacre

4x Winner of the Wyndham A&P Eastern Southland Dairy Heifer Competition

"Our heifer calves are fed Clarkes Calf Feeds from day one and their feeds play a key role in producing top quality, well grown heifers... Clarkes are our first choice for quality and service."

Jocelyn & Rodney Dobson - Ashvale Jerseys, Riverton

"We rear over 270 calves and are impressed with Clarkes Calf feed. They play an important part in helping us produce well grown bulls for our annual sale."
